CLARITY CORE

Unlock your next big move with the

CLARITY | PORTAL

streamlined, smarter, faster

Empower your members to take control of their service experience and engage with your business in real time

Offer direct access to essential services:

- access real-time updates
- CHECK AVAILABILITY, BOOK SHARED MEETING SPACES
- VIEW E-JOURNALS, financial history & other DOCUMENTS
- LOG SITE VISITS
- SUBMIT SERVICE REQUESTS & REPORT FAULTS
- Engage tenants through collaboration tools

One single straightforward, efficient platform - designed to benefit both your business and tenants

Information Systems

ESSENTIAL BUNDLE

DASHBOARD

Provide tenants with a dynamic dashboard featuring summary widgets for a quick and easy overview. Includes upcoming bookings, visits, finances, and shared documents, offering tailored insights and recommendations at a glance

NEW!

Now available in our app—making your tenant experience seamless

MEETING ROOM BOOKINGS

Make booking new and existing spaces a breeze, with flexible reception notifications and authorisation settings that guarantee a seamless experience every time.

E-JOURNALS

Provide your members with access to an electronic journal library, featuring white papers and journals for valuable insights and resources

SITE NEWS FEED

Display a banner of news and events, quickly bringing important information to your tenants' attention. This feed is easily managed from the CLARITY CORE desktop for seamless updates

DOCUMENTS

Facilitate seamless document sharing with your tenants, including booking terms & conditions, menus, floor plans, health & safety guidelines, fire regulations, and more

FINANCE OVERVIEW

Enable members to track and review their financial history with a comprehensive view of all invoices and credit notes raised on their account

COLLABORATION

NEW!

Enable tenants to connect through collaboration tools and private messaging built into the platform, facilitating project discussions and idea-sharing

Scan to find out more

The system is secured with robust encryption and security protocols, ensuring a fast, reliable, and safe user experience.

The upgraded interface streamlines navigation and interactions, fundamentally transforming how workspace providers and tenants engage, making the Clarity Customer Portal a truly standout solution

ENHANCE CLARITY PORTAL FURTHER

VISITOR MANAGEMENT

Make visitor management simple—allow members to easily schedule site visits with seamless Clarity Visitor integration for smooth check-ins, tracking, and appointment coordination

Streamline visitor check-ins with integrated pass and label printing. Using compatible printers, visitor passes and labels can be printed instantly at reception, security stations, or pre-printed for pre-registered guests, ensuring a quick and seamless experience

MAINTENANCE & FAULT REPORTING

Enable customers to easily report facilities faults or request changes within their office space or shared areas through facilities maintenance module integration, ensuring quick resolution and efficient maintenance management

Image attachment NEW!

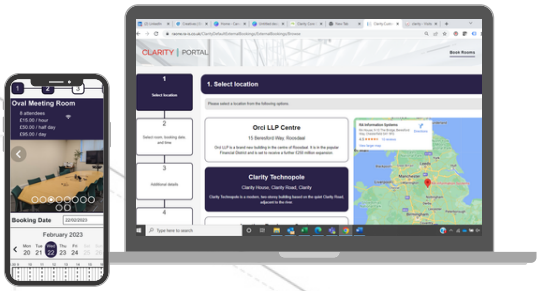
Tenants can now easily upload images with fault submissions and maintenance requests, helping to provide clear context for quicker issue resolution and a smoother experience

Real-time progress notifications NEW!

Keep members informed with instant updates on their submissions; if an issue is reported through the Portal, real-time notifications provide status updates with 2-way communication channel between tenants and facilities teams

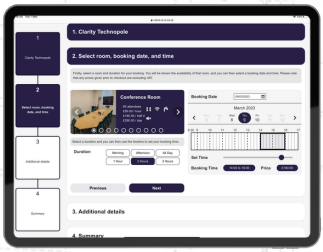
Report of Malfunctioning Entrance Doors	07/10/2024 14:10	In Progress	Clarity Technopole	07/10/2024	7
Urgent: Security Concern About Individual on Site	07/10/2024 14:07	Complete	Clarity Technopole	07/10/2024	2

MAXIMISE POTENTIAL



EXTERNAL BOOKINGS AND PAYMENT PORTAL

Are you keen to offer your bookable space to a wider audience? CLARITY CORE has an online booking facility to provide engagement with external prospects and opportunities! Our portal allows your real-time room availability to be displayed, and through connection to your CLARITY CORE system, provide your rates and complementary services, making it easy for anyone to search, book and pay for your space online.



Select location, meeting room, date and time

Make it easy for anyone to find the room that best fits their needs, with the right capacity and services.

Add services

Offer different layouts to accommodate your customers or attendees and available services.

Easy reviews & self-service payments

Take online payments securely & seamlessly for your bookings and automate notifications when a resource is booked
